

QUICK START GRILL CERTIFICATION GUIDE

GARLAND 9501, WORLD AND NEXT GEN GRILLS

Purchase your seal kits and file your certification forms for every grill and each store location quickly and easily.

SERIAL PLATE LOCATION FOR QUICK ID

- Lower Left Corner of the right panel Chassis
- Behind the front panel on the bottom edge

Still Not Sure? Contact your dedicated **McDonald's Parts Expert** for assistance.

Not sure which stores / grills have been assigned to Heritage as part of the certification process in the Garland portal? We've got you covered. Call your dedicated **McDonald's Parts Expert** and we'll do the administration.

Once complete, we view previous submissions and data for each available unit and store helping you get certification done faster with less effort.

9501 OR WORLD SERIES

You will need to purchase the sticker and form. They are not included in the kit.

1. One sticker per seal kit / per grill
2. One form per grill. Form is now available as a PDF in both printable and form fill versions.

Complete the certification procedure and return your completed forms to Heritage.

- Options: snail mail, scan to email, or use the form fill PDF Garland has made available.
- Submit via eMail to: garlandgrillcerts@heritageservicegroup.com
- When submitting be sure to include your model and serial # if emailing, as well as your Heritage invoice # from the purchase of the seal kit.
